PROFESSIONAL PROFILE

Operations and fleet-management professional with 10+ years of experience across GCC mobility, service operations, finance and HR coordination, including 9+ years in Dubai passenger transportation. Currently directs daily deployment and service delivery for 30+ chauffeurs and 20+ vehicles, covering dispatch, trip and billing reconciliation, fleet-portal billing, payroll preparation, driver auditing and training, RTA compliance, maintenance coordination, reporting and cost control. Combines hands-on transport knowledge with advanced Excel reporting and professional accounting qualifications.

CORE EXPERTISE

Fleet Operations & Utilization | Driver Scheduling & Dispatch | Route and Shift Coordination | VIP Passenger Service
Driver Audits, Performance & Training | RTA and Platform Compliance | Permits, Inspections & Renewals | Incident Resolution
Trip & Billing Reconciliation | Fleet-Portal Billing | Payroll Preparation | Budgeting & Cost Control
Operational KPIs & Reconciliation Reporting | Vehicle Maintenance & EV Charging | SOP Development | Team Leadership

PROFESSIONAL EXPERIENCE

Operations Manager | **Atlantis Limousine for Luxury Motor Vehicles Services L.L.C**

Dubai, UAE | 2024 - Present

- Direct daily fleet and chauffeur operations for 30+ drivers and 20+ vehicles, balancing availability, punctuality, service quality and customer requirements.
- Manage driver schedules, dispatch coordination, attendance, performance follow-up, shift coverage and corrective actions in a fast-moving 24/7 transport environment.
- Manage billing and operational activity across Uber, Careem, Bolt, Wheely, Moniic, Zed and Yango fleet portals, including driver/vehicle records, statements, access issues, policy updates and compliance.
- Maintain RTA compliance for drivers and vehicles, coordinating permits, inspections, renewals, documentation and regulatory portal records.
- Coordinate preventive maintenance, repair follow-up, vehicle readiness and EV charging arrangements to protect fleet availability and reduce avoidable downtime.
- Audit driver records, trip conduct and compliance gaps, then deliver induction, corrective and refresher training on company policies, customer service, airport procedures, safety and regulatory requirements.
- Reconcile trip and billing records across dispatch, direct bookings and fleet portals; investigate and report mismatches in trip, billing and driver records.
- Prepare operational, financial and reconciliation reports for management review using advanced Excel.

Operations Manager (continued) | Atlantis Limousine for Luxury Motor Vehicles Services L.L.C

Dubai, UAE | 2024 - Present

- Prepare driver payroll and salary calculations, including attendance, trip earnings, deductions, advances and recoveries.
- Create and implement SOPs covering dispatch control, airport operations, booking discipline, incident escalation, safety and compliance.
- Resolve passenger complaints, driver issues and client escalations while coordinating with platforms, vendors and internal stakeholders.
- Monitor operating costs and resource use, identify control gaps and support management decisions on rates, staffing, fleet deployment and profitability.

Chauffeur | Driver Coordination Responsibilities | Connection Chauffeur Limousine L.L.C

Dubai, UAE | 2017 - 2024

- Delivered professional chauffeur services for corporate and private clients while maintaining punctuality, discretion, vehicle presentation and service standards.
- Planned collection times and routes using GPS and live traffic information, adapting quickly to client instructions and operational changes.
- Supported driver coordination and salary administration, building practical knowledge of shift management, driver issues and passenger-transport operations.
- Maintained vehicle cleanliness and roadworthiness and followed UAE traffic, safety and customer-service requirements.

Finance & Human Resources Coordinator | Haramain Islamabad Medicure Hospital

Islamabad, Pakistan | 2015 - 2017

- Managed cash flow records, bookkeeping, accounts payable/receivable support, daily cash balances and financial documentation.
- Prepared payroll, monthly financial reports, budget analysis and Excel-based management information.
- Supported recruitment, job descriptions, employee contracts, attendance monitoring, workplace policies and administrative coordination.
